Gerardo Hernández, Ramón Labañino, Antonio Guerrero, Fernando González, and René González, the Cuban 5, were arrested by the F.B.I. on “conspiracy” and other trumped-up charges. The real reason for their imprisonment was that they infiltrated and gathered information on right-wing Cuban-American groups in Miami in order to prevent terrorist attacks against Cuba by these groups. The Cuban 5 have been imprisoned for more than 13 years – for defending the sovereignty of their homeland.
